

# Tobacco Treatment Services Guide

## Services Listed by County

The Partnership For A Tobacco-Free Maine (PTM), Maine Department of Health and Human Services, Maine Center For Disease Control and Prevention, has made every effort to provide thorough and accurate information in this Tobacco Treatment Services Guide. **The programs listed below are for information purposes only, and are not meant to be an endorsement of their services by PTM, nor by PTM's Treatment Services Contractor, the Center For Tobacco Independence (CTI).** If a treatment program has been omitted or services listed have changed, please contact the PTM at 287-4627 or CTI at 662-7154, so that we may update this guide. This guide will be updated twice yearly, in the winter and summer.

**\*MaineGeneral is also providing the following services in Kennebec County (For more information on any of these programs please contact Elizabeth Cook 872-1830):**

Readiness Training: A service designed for smokers and non-smokers, offering information to assist in preparing for the quitting process. These trainings are presented in small or large groups and can usually be conveniently conducted at any location. This informational session is free and usually last one hour.

Telephonic support: A telephone based service people use to get information about smoking resources, obtain individualized smoking cessation support, and ask questions about smoking and cessation. This service is also provided to all MGMC inpatients that request information after they are discharged from the hospital and return home.

Print resources: MaineGeneral has a large variety of smoking cessation resources that are free to the community and employers. The materials range from informational smoking cessation guides to the cost and health effects of smoking.

Policy and Environmental Change Consultation: A service for employers and organizations who are interested in supporting a smoke free culture and environments, and other strategies that support smoking cessation with populations they serve. This service is free.
